Answer

Minister of State in the Ministry of CIVIL AVIATION

(Dr Mahesh Sharma)

(a), (b) & (c) : The details of airport projects taken up for development of air transport in the North-Eastern States during the last three years and the current year, State-wise, along with the present status and expenditure incurred on these projects are at Annexure-1. The timelines
for completion of airport projects depend on various factors like availability of adequate land, timely resolution of land related compensation and rehabilitation issues by the concerned State Govt., mandatory regulatory clearances, availability of funds, topographical
constraints, etc.
